Cohen's Lottery & Exchange-Office.*"HOC SIC NO FORTUNA."*BALTIMORE, FRIDAY, MARCH, 1st, 1818.*Another Rise on Medical Tickets.*

The demand still continuing for tickets in this popular lottery, and the few remaining for sale, has caused an advance in the price to **Twelve dollars**, which however will not continue longer than the 31st inst. on which day the drawing will commence, and on the opening of the wheels, the price will be further advanced to **FIFTEEN DOLLARS**—speedy application therefore, is necessary to procure chances at the present rate—ORDERS, addressed to this office, as usual, will meet with the most prompt attention, enclosing the cash or prize tickets, post paid.

At COHEN'S OFFICE, Baltimore, the capital prizes were sold in both the former classes of the Medical College Lottery, and where also was obtained the **GREATEST PRIZE EVER SOLD IN AMERICA**, in shares.

NEW-YORK, March 4th.

Latest from Gibraltar.—By the Thomas Tenant, the editors of the Mercantile Advertiser have received Gibraltar papers to the 10th of January.

The FRANKLIN, 74, arrived at Gibraltar on the 12th Jan. in 12 days from Portsmouth, Eng. and had sailed thence to join the American squadron at Syracuse.

We learn from Cadiz, that the ships Sterling and Mohawk, and brig Cartel, all from this port, were there on the 5th of Jan. and that the market was bad—Flour, \$11 & 11 1-2, nominal; Pipe staves, \$90, dull, large stock in market. Fruit

scarce and high; Raisins, per keg, \$6.50, Muscatel, box 2,50.

The ship COURIER, Bowne, one of the line of packets between this port and Liverpool, sailed this morning with nineteen passengers.

The General Assembly of Rhode Island adjourned on Saturday week, after a session of only eleven days—during which they disposed of the whole docket of 250 petitions: granted 80 petitions for the benefit of the insolvent act, and dismissed and rejected about as many more: chartered nine banks, and three insurance companies: besides transacting other business.

In the state of Rhode Island, there are 31 towns, and 28 banks!

A letter to a respectable commercial house in Savannah dated, New-Orleans 10th February, says—"Cotton continues at 32 cents; about 27,000 bales of the present crop have appeared at market. Flour \$10; tobacco 8."

We heartily congratulate our readers that the bill for making provisions for the surviving indigent soldiers of the revolution has passed both Houses of Congress finally: and, that as though the President had not himself suggested the act, there can be no doubt of its receiving his signature, the bill may be considered as a law of the land.—(Nat. Int.)

The Nashville Clarion says, that the sale of lands for the two last weeks, amounted to about three million of dollars: that very little that was good went for less than thirty dollars an acre.—Eleven townships and ten fractional townships,

were offered for sale—On the first of March, another sale is take place.—Knox. Reg.

The Legislature of Virginia has passed a law, incorporating a Company to connect the Roanoke and Potomac Rivers, by means of Canals.

We understand that the Post-Master-General has decided on sending the great Western Mail, on the National Turnpike Road to Wheeling, Virginia, as soon as that road is sufficiently improved to insure a proper expedition, which will probably be the case in a few months. The frequent interruption of the mail on the Clarksburg route makes this measure very desirable, as we are well assured that the mail has been many times interrupted the past winter, from the water courses on that route, notwithstanding the exertions of those entrusted with the mails.—Nat. Int.

On Saturday last, in Baltimore City Court, a man from Frederick county, who had come to this city with a wagon and team, was brought before the Court, charged with cruelly beating and abusing one of his horses. He submitted the case without trial to the decision of the Court; which, in consideration of his being a stranger, and professing contrition for his conduct, fined him only twenty dollars.

The above is the first case that has occurred under the late act of assembly, and it may be useful as a caution to give it publicity.—Gaz.

LANCASTER, Penn. March 6.

We are sorry to hear, that the elegant Bridge at McCall's Ferry has been carried away. The flood and multiplicity of ice has not been known to have been so great for many years. We deem it a public loss.
